ANNOUNCEMENT OF SP2 (LIFE INSURANCE) GUIDANCE AND SUPPORT PROGRAM

I. BACKGROUND

Despite the level of preparation and repeated attempts by many students, the pass rate for the SP level subject in Life Insurance is just about 25% in the last three examination diets. This is much lower than what is expected and could be due to a lack of strategy and practice. To help those who need support and guidance for the upcoming examination, a series of sessions will be conducted by an experienced Faculty.

II. OBJECTIVE

The objective of the program is to make overall improvement in the ways of preparation, formation of exam strategies and to engage in practicing by addressing common mistakes, flaws and gaps which together leads to a failure. In simple format, it's about to know and practice **“What are do's and don'ts”** for converting failure to success.
