ANNOUNCEMENT OF CP1 (ACTUARIAL PRACTICE) **GUIDANCE AND SUPPORT PROGRAM**

I. BACKGROUND

In line with our dedication to assisting students in their journey towards becoming fully qualified actuarial professionals, we are pleased to announce the guidance and support program tailored specifically for CP1 Actuarial Practice. As a pivotal subject on the path to attaining Associate/Fellow status, CP1 demands rigorous preparation and a thorough understanding of its intricacies.

With the May 2024 examinations looming ahead, we have curated a series of sessions designed to equip students with the knowledge, skills, and confidence necessary to excel in CP1. Drawing upon the wealth of experience and expertise of faculty in actuarial education, these sessions will offer invaluable insights, targeted strategies, and personalized assistance to empower students in their pursuit of success.

Ultimately, our guidance and support program for CP1 Actuarial Practice is not merely about passing an exam; it is about equipping students with the tools and confidence to thrive as competent and accomplished actuaries. We invite all aspiring actuarial students to join us on this transformative journey towards excellence in actuarial practice.

II. OBJECTIVE

The aim of the program is to enhance the process of exam preparation by focusing on the development of effective strategies and addressing common errors, weaknesses, and gaps that contribute to failure. In essence, the program aims to educate and train individuals on the best practices to follow and the pitfalls to avoid in order to turn failure into success. Through structured study plans, practice exercises, mock exams, and ongoing feedback, we endeavor to instill in students the resilience and determination needed to overcome any challenge that CP1 may present.
